Please note, you do NOT need to create an account to order — you can [click here to proceed directly to step 4](#) and begin ordering. However, creating an account will allow you to reorder in the future with one click and skip the product selection, art upload, sizing, and proof approval process.

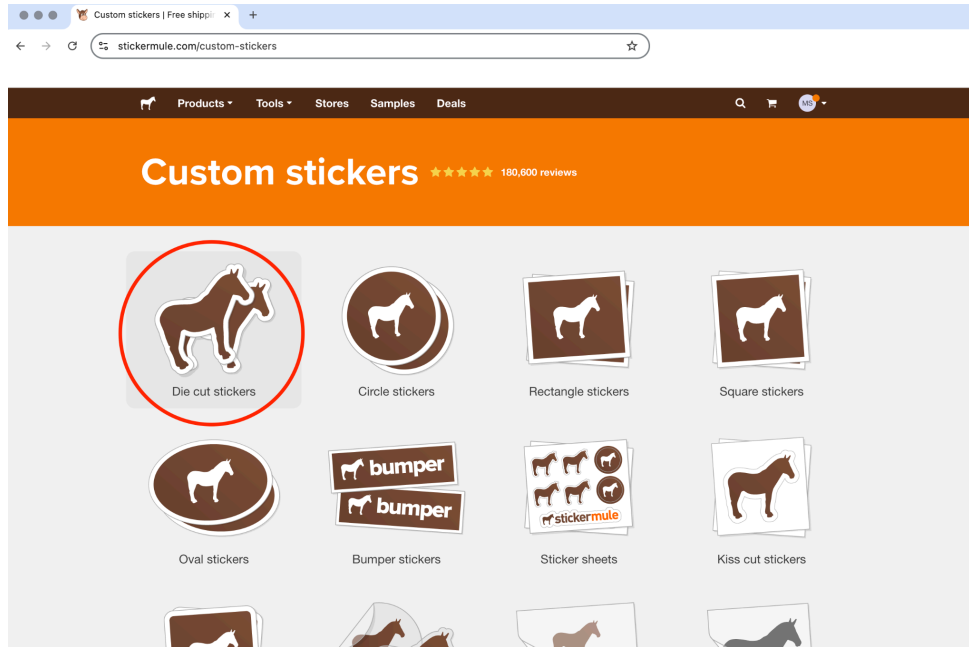

1. Click on “Sign Up” in the upper right and create an account

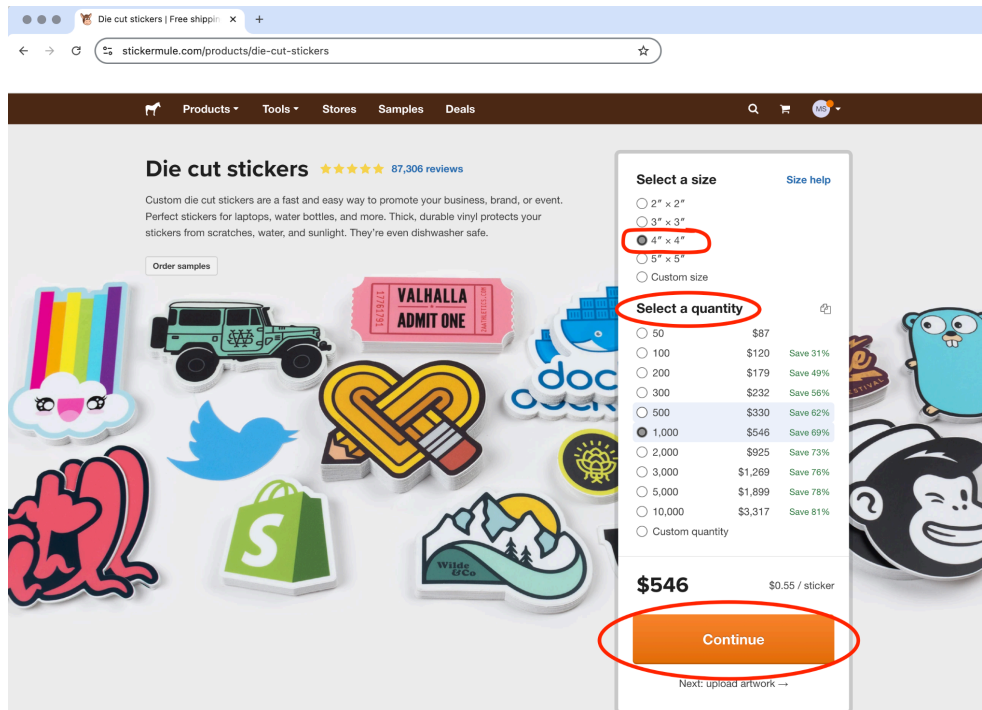

2. Once logged in, click on “Custom Stickers”

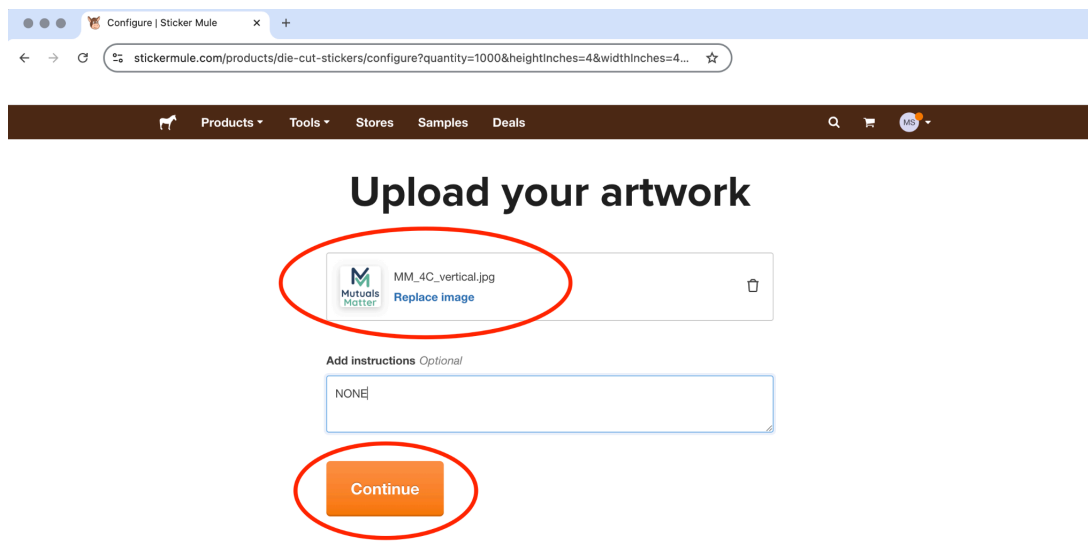

3. Then click on “Die-Cut Stickers”

4. The select 4” x 4” and the quantity you want and click continue (the sticker will not be exactly 4” square because of the logo proportions and the fact that it is a die cut; they will adjust the price based on the actual scaled size, and it will be slightly less that what you see here):

- Then upload the “MM_4C_vertical.jpg” logo file and click “Continue”. There is no need to enter instructions:

- After this, you will be on the checkout page. You will checkout and pay for your stickers here, and receive a proof directly from StickerMule to approve. Once approved, your stickers will print and ship.
